<b>Solo Canoes</b>						
Esquif	Zephyr	11'3"	Very light and responsive canoe made from a fibre glass compound. Offers good secondary stability and is designed for carrying speed well through your carves.	Airbags included.		<a href="#">Boat Review: Esquif's Zephyr - Paddling Magazine Sizing and info</a>
Esquif	Zephyr 2.0	11' 3	Zephyr 2.0 keeps the classic shape but now in durable, easy-to-repair T-Formex. With hard chines and solid stability, it's ideal for Class II–IV whitewater. Outfit for solo with a bulkhead or saddle and straps.	Airbags included.		<a href="https://paddlingmag.com/boats/canoes/review-esquif-zephyr-2-0-xl/">https://paddlingmag.com/boats/canoes/review-esquif-zephyr-2-0-xl/</a>
Esquif	L'Edge Superlite	9'2"	The L'Edge quickly became the benchmark canoe for all skill levels — from learning the basics to styling steep creeks. Now molded by Liquidlogic for Esquif, it's built tough in durable polyethylene for reliable performance on every run.	Airbags included.		<a href="https://paddlingmag.com/boats/canoes/esquif-l-edge-canoe-review/">https://paddlingmag.com/boats/canoes/esquif-l-edge-canoe-review/</a>
Esquif	L'Edge	9'2"	A more durable canoe with a hull made from plastic, designed to be fast but still responsive and durable. A very versatile model and popular amongst beginner through expert canoeists.	Airbags included.		<a href="#">Esquif L'Edge Canoe Review - Paddling Magazine sizing and info</a>
Blackfly	Option	8'7.5"	This canoe is wider and more stable, inspired by creekboat kayaks. Great for river running.	Airbags included.		<a href="#">Boat Review: Blackfly Option Whitewater Canoe sizing and info</a>
Dagger	Ovation	11'	Stable canoe that has a flat hull making it good for surfing.	Airbags included.		<a href="#">Review and specs sizes and more info</a>

Dagger	Genesis	13'6"	A large solo canoe, known for being an ideal option for solo tripping and is also a better for big water.	Airbags included.		<a href="#">View topic - Dagger Genesis   Canadian Canoe Routes sizing and info</a>
Dagger	Impulse	12'8"	Another longer solo boat, very stable and more forgiving with lots of rocker.	Airbags included.		<a href="#">Dagger Impulse - Song of the Paddle Forum sizing and info</a>
Composite Creations	Bulldog	10'	A boat from a smaller company made as a more custom design, lots of fun to paddle.	Airbags included.	Photo coming soon	links unavailable

Kids Kayaks						

Jackson	Fun	1, 1.5,	The smaller versions of the Jackson "fun" models of kayaks. A great boat to get a younger paddler into river running, eddy catching as well as surfing. It is a more playful style of kayak with its flat hull, but still has length in order for it to be easier to build up speed.	Recomended used with a kayak skirt.		<a href="#">Jackson Kayak Kids Fun 1-1.5 2022</a>

Playboats						
Dagger	Rewind	Small	The award-winning Rewind whitewater kayak is an instant classic, serving as the ultimate downriver playboat for paddlers of all abilities. The Rewind offers exceptional piercing river running capabilities and an exciting playability that allows you to add new tricks to your arsenal.	Recomended used with a kayak skirt.		<a href="#">Dagger Rewind</a>
Jackson	Rockstar	Small, Medium, Large	A very popular playboat, known for being a great surfing boat with more forgiving edges than some of it comepeitors models. Awesome choice for learning and peforming tricks on flat water, on waves and in holes.	Recomended used with a kayak skirt.		<a href="#">Jackson Kayak Rock Star   Blister</a>
Jackson	Allstar	Medium	Similar to the rockstar, an all round good playboat. Great for surfing and tricks.	Recomended used with a kayak skirt.		<a href="#">Boat Review: Jackson Kayak All-Star</a>

River Runners and Half Slices						

Jackson	Fun	2, "fun", 4, "superfun"	The larger sizes within the "Fun" series of kayaks. These boats are very versatile, they're designed longer to pick up more speed but still have a hull shape more similar to a playboat to make them good for surfing as well.	Recommended used with a kayak skirt.		<a href="#">Gear Review: 2015 Jackson Fun   Whitewater Guidebook</a>
Jackson	Antix	Small, Medium, Large	A boat that is both fun to play around in as well as great for crushing through bigger waves. The front has a more similar design to that of a creekboat with lots of volume and rocker. The tail being thin enough to slice through the water for cool tricks and maneuverability but long enough making this boat still capable of running larger rivers and drops. The shape of the hull is designed to also be a great surf boat and fantastic on waves.	Recommended used with a kayak skirt.		<a href="#">AntiX Large Reviews - Jackson Kayak   Buyers' Guide   Paddling.com</a>

<b>Creekboats</b>						
Dagger	Mamba	7.6, 8.6	A very popular creekboat, known for its high volume and stability. A great choice when looking to get into creekboating, or wanting to paddle bigger water.	Recommended used with a kayak skirt.		<a href="#">mamba review</a>
Dagger	Nomad	Medium	Another Dagger creekboat, longer than the mamba making it easier to pick up speed and perform some more technical moves on the river.	Recommended used with a kayak skirt.		<a href="#">Nomad   Dagger Kayaks   USA &amp; Canadahttps://www.dagger.com/us/nomad</a>

Jackson	Nirvana	Medium, Large	A long creakboat from Jackson kayaks, known for its high potential in racing. Its high rocker and narrow design allows it to easily punch through waves and holes, and preform some more challanging maneuvers while running rapids.	Recomended used with a kayak skirt.		<a href="#">Nirvana Review - Jackson Kayak</a>
Pyranha	Firecracker	Small	The Firecracker is a #HalfSizeHalfSlice to whip into every micro-eddy, snap onto every wave, and get vertical absolutely everywhere - no matter who you are, you'll be able to throw this around, sky-gaze, and have the comfort and confidence to nail that new move.	Recomended used with a kayak skirt.		<a href="https://delkayaks.co.uk/2025/04/15/pyranha-firecracker-review-the-kayak-that-does-it-all/">https://delkayaks.co.uk/2025/04/15/pyranha-firecracker-review-the-kayak-that-does-it-all/</a>
Jackson	Zen	Small, Medium, Large	A higher volume creekboat with lots of rocker and good maneuverability, a great choice for running higher water creeks.	Recomended used with a kayak skirt.		<a href="https://paddlingmag.com/boats/kayaks/jackson-zen-kayak-boat-review/">Boat Review: Jackson Zen Kayakhttps://paddlingmag.com/boats/kayaks/jackson-zen-kayak-boat-review/</a>
Zet	Toro	Medium	This kayak was designed for paddlers of all different skill levels. Its good for expiditions, racing or just a fun day on the river. Its easy to maneuver and has lots of rocker making a good boat for paddling many diffrent styles of rapids.	Recomended used with a kayak skirt.		<a href="#">Toro</a>
Dagger	Code	Small, Medium, Large	A fun and fast creekboat with lots of rocker and great for big water as well as preforming technical paddling moves on creeks.	Recomended used with a kayak skirt.		<a href="#">Sizing and more info reviews</a>

Tandem Kayaks						

Jackson	Dynamic Duo	2 person	A kayak designed for two! Between its length and the power produced by the two paddlers this boat can build up a significant amount of speed, and makes for a very fun team paddling experience. Its also. a great boat for introducing a new paddler into whitewater kayking and building up their confidance in moving water.	Recomended used with a kayak skirt.		<a href="#">Dynamic Duo Reviews - Jackson Kayak   Buyers' Guide   Paddling.com</a>

<b>Packrafts</b>						
Kokopelli	Recon	One person	An inflatable raft with a similar paddling style to that of a kayak. They are very popular amongst trippers as they can be rolled up into a very compact package and are light to carry. Thier light weight also allows for a fun smooth ride over waves and are very comfortable due to the fact that they are filled with air. These rafts are very forgiving due to their shape and design and are known to be a great way to get asatisfying first experience of paddling moving water. These rafts are also self bailing meaning theres no need for a skirt or to empty the boat after a swim!	No need for a skirt or airbags!		<a href="#">Recon Reviews - Kokopelli Packrafts   Buyers' Guide   Paddling.com more info</a>
